Need a good gift idea? **Give the gift of reading!**

Need a graduation gift? Stuck on the perfect present for Mother's or Father's Day? Give the Gift of Reading!

Gift of Reading is a lasting way to remember a loved one, celebrate the accomplishment of

someone special, or just to acknowledge a friend's passion for reading.

With a tax-deductible contribution of \$25, you may choose a **Tribute** gift book, an **Honor** gift book, or a **Memorial** gift book. Additionally, you may indicate an age level and area of interest for the item. The library will then select the actual title to be purchased according to our Collection Development Policy.

Once the completed form and payment are received, we will purchase the book and insert a **personalized**

WESTERN ALLEGHENY
COMMUNITY LIBRARY

April 1, 2024

Dear Library Friend,

Did you know that WACL is tasked with raising over \$40,000 each year, just to keep the doors open? But where does that money go? With funds raised in 2023, we were able to make a lasting impact on our library's programs and services. Through the generosity of our community, we:

1. **Expanded our collection:** Your donations have enabled us to acquire a diverse range of books, audiobooks, and digital resources. We continue to expand our Library of Things, meeting more needs of the community.
2. **Fostered a love for learning:** Your generosity has funded engaging educational programs for children, teens, and adults, fostering a lifelong love for reading, creativity, and continuous learning.
3. **Supported community engagement:** From book clubs to workshops and summer camps, your contributions have helped create a welcoming space where community members can connect, share ideas, and build lasting friendships.

One inspiring story is that of Ava, a teen, who uses the library as a safe space where she can spend her time. She enjoys the access to books from across the county and having the chance to unwind without needing to spend a penny to be here. Your support has provided that safe and welcoming space for teens like Ava.

As we continue our **Spring Appeal**, I want to express our deep gratitude for being an essential part of our library family. Your contributions play a vital role in shaping a brighter future for our community.

To donate, scan the QR code below, or visit www.westernallegHENYlibrary.org/get-involved/donations.html. Your support, whether a one-time or monthly donation, directly contributes to the growth of our library.

With gratitude,

KC Rovensky
Fundraising & Development Coordinator
