New Donation Guidelines

Western Allegheny Community Library and the Friends of the Library sincerely appreciate your book donations, as they provide valuable support for the library. However, after carefully evaluating which items sell and the increasing challenge of managing leftover donations, we ask that you review our updated donation guidelines before contributing materials.

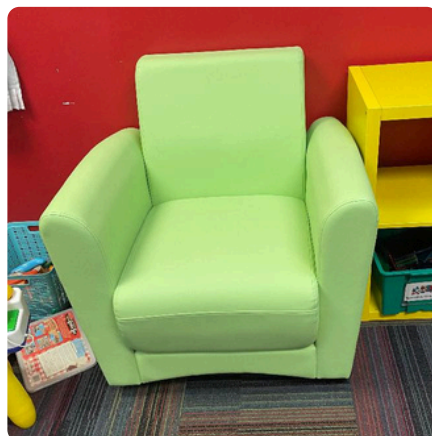

The current guidelines can be found on WACL's website at www.westernalleghenylibrary.org or in a flyer available at the front desk and on the In-House Sale shelves.

Additionally, please check in with a circulation desk clerk before leaving your donations.

Thank you for your support and cooperation!
