

LOVE YOUR LIBRARY

September 1, 2026

Dear Library Friend,

September is Love Your Library Month, a month dedicated to celebrating the libraries that are part of our communities and the people who make them possible.

At Western Allegheny Community Library (WACL), you are a big part of what makes the library possible. Because of you, kids discover new favorite books, families find something fun to do together, and neighbors have a place to learn, connect, and feel welcome.

Please make a gift to Western Allegheny Community Library this September and help make an even bigger impact in our community!

Your gift goes even further during September. Thanks to the continued support of the Jack Buncher Foundation, every eligible dollar donated during September will receive additional funding through a prorated match.

Your support makes a real difference at WACL:

\$50 can purchase two new books for our collection.

\$75 can help fund a craft or maker program for kids.

\$100 can purchase a unique item for our Library of Things.

\$150 can provide resources for a season of technology training for older adults.

These are just a few examples. Your gift helps provide the books, programs, technology, resources, and welcoming spaces that our community relies on.

Give at the library or online at westernalleghenylibrary.org.

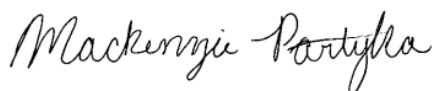

Please make your gift by September 30 so it can be included in the Love Your Library prorated match.

Because of you, Western Allegheny Community Library can continue being a place where people find what they need, discover something new, and spend time together.

And that is something worth celebrating.

With sincere appreciation,

Mackenzie Partyka

Library Director

Western Allegheny Community Library

P.S. Fall for Your Library is September 19 at Celebrations!

Tickets are \$45 and include food, drinks, games, raffles, auctions, music, and more.

Grab your tickets and help your library make the most of the Love Your Library match!
